The Rehabilitation of Offenders Act 1974 enables criminal convictions to become 'spent' or ignored after a 'rehabilitation period'. Prison sentences of more than two and a half years can never become spent and should always be disclosed. Further information on rehabilitation periods can be found at Nacro's Resettlement Plus Helpline 020 7840 6464 or by obtaining a free copy of their leaflet on 020 7840 6427.

SECTION 7 - DECLARATIONS

M. Applicant Declaration

It is mandatory to complete part M. If it is not complete the application will be invalid and will be returned to the applicant.

The applicant must sign below to show that he/she has read and understood the following declaration. It must be authorised by the applicant and not by a representative or other person acting on his/her behalf. If the applicant is under 18, his/her parent or legal guardian may sign.

The information I have given in this application is complete and is true to the best of my knowledge.

The photographs I have submitted with this application are a true likeness of myself and have my name on the back of each and I have had the opportunity to see the UK Border Agency photograph guidance.

As required to do so by Biometric Registration Regulations, I confirm that I also apply for a biometric immigration document for myself and any dependants applying with me. If any dependant child under the age of 16 is applying with me, I understand that the Home Office may make enquiries about any responsible adult nominated by me to be present when their fingerprints and/or a photograph are taken.

If there is a material change in my circumstances or any new information relevant to my application becomes available before it is decided, I will inform the UK Border Agency.

I agree to co-operate with UK Border Agency officials, or any other officials charged by the Secretary of State for the Home Office, with conducting pre-issue and post-issue checks on compliance with points based system applications.

I agree to my sponsor or representative (where applicable) tracking my application with the UK Border Agency, or the UK Border Agency updating my sponsor or representative on the progress of my application including whether the application has been granted or refused.

I understand that if I knowingly submit any document or documents which are forged, fraudulent or not genuine, and the Secretary of State has sought to verify the documents using processes specified by her, and has been unable to verify conclusively that they are genuine, the application will be refused.

I understand that if the UK Border Agency has reasonable cause to believe that any document or documents I have submitted with this application are forged, fraudulent or not genuine, and the UK Border Agency has sought to verify the documents using processes specified by it but has not been able to verify them, no points will be awarded for these documents even if the UK Border Agency cannot prove that they are not genuine.

I am aware that the rules and regulations governing points based system applications may change in the future and do not assume that the requirements covering any future applications will be the same.

Introduction

This document provides information to help applicants complete the Tier 4 (General) Student application form.

For further information on Tier 4 (General) Student of the points based system policy please see the relevant paragraphs of the Immigration Rules and the Tier 4 (General) Student policy guidance notes.

These documents are available on the UK Border Agency website at www.ukba.homeoffice.gov.uk.

All the above documents are available in Welsh, Braille, large print, audio and other alternative formats on request.

For further information on alternative formats, and how to obtain these, please contact the Immigration Enquiry Bureau on 0870 606 7766.

Who should apply using this form?

This application form should only be completed by individuals who are already in the United Kingdom. Applicants should use the application form if they are:

- currently in the United Kingdom and wish to make an initial application under Tier 4 (General) Student;
- currently in the United Kingdom as a main applicant under Tier 4 (General) Student seeking to extend their leave for a further period within their existing category.

This application form should not be used by dependants of main applicants. A separate application form titled 'Points Based System - Dependants Application Form' is available for this purpose and can be found on the UK Border Agency website at www.ukba.homeoffice.gov.uk.

Submitting a valid application

The applicant will only be considered to have submitted a 'valid' application if the following has been complied with:

- the correct application form must be completed and submitted;
- the correct application fee must be paid;
- the applicant's current passport, Identity Card for Foreign Nationals (ICFN) if applicable or travel document must be provided, unless it is not available for one of the reasons specified on the application form;
- the mandatory sections in the application form must be completed;
- two recent identical passport-size photographs of the applicant with his/her full name written on the back of each one must be supplied;
- two recent identical passport-size photographs of any dependants who are applying with the applicant with their full name written on the back of each one must be supplied.

The photographs provided must be in the format specified in the separate photograph guidance, which can be found on our website at www.ukba.homeoffice.gov.uk. Please ensure that they are placed in a small sealed envelope attached to section 2 of the form as instructed there - and without any staples, clips, pins or anything else which could mark or damage the photographs.

If the application(s) is/are successful, the photographs provided will be reproduced in their Identity Card for foreign Nationals and those of any dependants included in the application.

Applicants who are required to register with the Police must also include their Police Registration Certificate with their application.

IDENTITY CARDS FOR FOREIGN NATIONALS

On 25 November 2008, identity cards were introduced for foreign nationals applying for permission to remain in the UK in certain categories.

Everyone applying in the UK under the Tier 4 categories must apply for an identity card. Over the next few years, identity cards will be extended to other immigration applications.

Further information about these measures, which are based on powers contained in the UK Borders Act 2007, can be found on our website.

What is the identity card?

The identity card for foreign nationals is a residence permit which holds a migrant's biographic details (name, date and place of birth) and biometric information, and shows his/her immigration status and entitlements while he/she remains in the UK.

It replaces the vignette (or sticker) and ink stamps previously placed in the passports of those granted permission to remain in the UK. If a migrant is issued with an identity card, he/she will receive a leaflet giving more information about it and explaining any obligations imposed on the cardholder.

What are biometric features?

Biometric features are unique physical characteristics that can be used to identify a person. In this case, they will be the migrant's facial image and ten fingerprints.

How are biometric features recorded?

An applicant who is required by law to apply for an identity card must attend an appointment at one of UK Border Agency's offices to have his/her biometric features taken.

The procedure (premium service applications)

If the applicant applies in person at one of our public enquiry offices, the applicant and any dependants applying with him/her will be required to have their biometric features recorded after signing an acknowledgement to confirm that he/she understands what he/she is required to do.

The applicant will then be asked to place his/her fingers, followed by his/her thumbs, on a fingerprint scanner. If his/her hands are dirty, we will ask the applicant to clean them. Once his/her fingerprints have been recorded we will then take a photograph of his/her face.

The same process will be carried out for any dependants applying with the main applicant, except that any children aged under 6 will not be required to provide fingerprints, although we will take their photograph.

The biometric features taken will then be recorded as part of the application and those of any children under 18 who are applying.

In some circumstances, the applicant may be required to attend an identity interview if we require further information to establish his/her identity.

The procedure (postal applications)

If the applicant applies by post, he/she will be sent a letter notifying him/her of the need to make an appointment for himself/herself and any children under 18 applying with him/her to have their biometric features recorded. When the applicant makes the appointment, he/she will be given a booking reference number (BRN) which he/she should enter in the BRN space in the letter about booking an appointment. If he/she has given us his/her e-mail address or mobile telephone number, we will confirm the appointment by e-mail (within 24 hours) or by text message (within 48 hours). But we will not send a letter confirming the appointment.

When attending the appointment, the applicant must bring his/her appointment notification letter with him/her. Please make sure that it has his/her booking reference number on it.

If the applicant is a single person under the age of 16, he/she must be accompanied by a responsible adult (see **Children under the age of 16** below).

The procedure at the applicant's appointment will be the same as that described above for someone making an application in person.

How and when will the applicant be notified of the outcome of his/her application for an extension of stay and for an identity card?

If the application is successful, the migrant will not be issued with a residence permit in his/her passport. Instead, he/she will be issued with an identity card for foreign nationals.

Applying in person

If the applicant is applying in person and his/her application is successful, he/she will be sent an identity card or cards for himself/herself and any children applying with him/her within 5 working days of his/her appointment. Identity cards cannot be issued on the day of the appointment.

Applying by post

If the migrant is applying by post and his/her application is successful, his/her passport(s) and other documents will be returned to him/her. He/she will then be sent an identity card or cards for himself/herself and any children applying with him/her under separate cover within 5 working days of the date of the decision(s) on his/her application(s).

Children under the age of 16

We cannot record the biometric features of children under the age of 16 unless they are accompanied by a responsible adult.

If the applicant is a single person under the age of 16, he/she must be accompanied by his/her parent, legal guardian or other responsible adult aged 18 or over.

That person must bring with him/her a letter confirming that he/she is authorised to take responsibility for the child for the purpose of the biometric features appointment.

At the appointment, the responsible adult will also be asked to provide an acceptable form of identity, such as a passport or driving licence, which will be checked against the details given on the application form.

What if the applicant fails to book an appointment as required?

If the applicant is notified by letter of the need to book an appointment and fails to do so within 15 working days from the date of the letter, he/she will receive a warning letter advising him/her that failure to book an appointment will result in his/her application being rejected as invalid. If that happens, the applicant will have to resubmit his/her application for it to be considered.

What if the applicant fails to attend the appointment?

If the applicant fails to attend a booked appointment, he/she will be given an opportunity to book another one within a limited period.

If the applicant fails to attend the new appointment or cancels it without a reasonable explanation, his/her application for an extension of stay is likely to be refused on the grounds of non-compliance with regulations made under the UK Borders Act 2007.

What if the applicant fails to comply with the recording process at the appointment?

If, when the applicant attends the appointment, he/she fails to co-operate fully with the biometric recording process, for example by attempting to obscure his/her fingerprints or other biometric features, he/she will be warned that his/her refusal to comply may result in his/her immigration application being refused on the grounds of non-compliance with regulations made under the UK Borders Act 2007.

What about any medical or physical conditions that may require the UK Border Agency to provide the applicant with special arrangements?

If the applicant and/or any dependants who are applying with him/her have a medical or physical condition which may require special arrangements to be made in order for his/her biometric features to be recorded, he/she must obtain a letter or other document giving the details of any such condition and enclose it with his/her application.

Appropriate documentary evidence would be a letter from a treating clinician, such as a practising doctor registered with the General Medical Council, giving details of the condition and/or special needs and explaining any arrangements that may be necessary.

Does the applicant need to make any special preparations before his/her biometric identifiers are recorded?

Before the applicant attends his/her appointment, we recommend that he/she checks his/her hands and fingers are clean.

If his/her hands are not clean, we may ask him/her to wash them before we scan his/her fingerprints.

We would advise the applicant not to have any colouring or similar substances (such as henna) on his/her hands, as this could prevent us from recording his/her fingerprints on the day of your appointment.

If that were to happen, the applicant would have to make a new appointment and that would delay the consideration of his/her application.

What if any identity card issued to the applicant or any dependants of his/hers was/is lost or stolen?

A migrant must report any lost or stolen identity card to the UKBA Card Management Service on 0300 123 2412. He/she must also report the loss or theft to the police and get a police report and crime reference number as soon as possible.

The migrant will need to provide the crime reference number and a police report (if he/she has one) when he/she applies for a replacement card on form ICFN(RC).

Claiming Points

When completing the application form, an applicant must clearly indicate the number of points he/she is claiming within each points scoring area, and detail how he/she meets the criteria for the award of these points.

We will only award points for the sections where the applicant has indicated that he/she wishes to claim them, and where the required supporting evidence has been supplied.

Supporting Evidence

It is the applicant's responsibility to provide the evidence to support any statements made in his/her application. The applicant must satisfy us that the requirements for the category under which he/she has applied have been met. We must be satisfied, by considering the evidence provided, that the applicant meets the necessary criteria.

Applicants must ensure that all of the necessary supporting documentation is provided at the time the application is submitted. Only those documents specified in the application form and set out in detail in the Tier 4 policy guidance will be considered acceptable for the purposes of establishing that an applicant qualifies for the points claimed in any scoring area.

The applicant must be selective in submitting evidence, as sending large amounts of irrelevant or poor quality documentation may delay the consideration of the application. It is only necessary to submit evidence that is directly appropriate to the application as requested, as unrelated evidence cannot be considered for points scoring.

Any documentary evidence that the applicant provides should be original (unless otherwise stated).

Where a document is not in English or Welsh, the original must be accompanied by a fully certified translation by a professional translator. This translation must include details

of the translator's credentials and confirmation that it is an accurate translation of the original document. It must also be dated and include the original signature of the translator.

Question-Specific Help Text

Further advice on specific questions in the application form is detailed below.

B2 – B5 The applicant should provide full details of his/her name and title. If he/she has previously been known by any other name(s) he/she should provide full details of each name, the date of each change and submit the relevant supporting legal documentation.

The applicant must submit all of these passports/travel documents with the application. They should be original documents and not copies.

In certain circumstances certified photocopies will be accepted where the applicant does not have the original at that time. The applicant must provide details as to its location and state when they will provide it. The applicant must then ensure that the original document is submitted as soon as they can.
